Ambient Temperature for Field of Use		32° to 130° Fahrenheit or 0° to 54° Celsius
Decal		As seen on front page. Customizable
Cabinet Construction		Cabinet is 14 gauge welded steel Door is 14 gauge welded steel
Cabinet Finish		Black powder coat. Custom colors are also available
Dimensions**		8 ½ W x 18 ¾ H x 13 D inches 21.6 W x 47.6 H 33 D centimeters
Weight**		45 Lbs. (about 20.4 Kg)
Warranty – Limited		12 months on entire machine. See American Changer's Terms and Conditions of Sale for details

* Hopper capacities are based on a token the size of a 2014 USA quarter or a \$1 USA coin. The measurements of said tokens are 0.955/1.043 inches or 1.75/26.5 millimeters and a weight of 0.182/0.260 Troy ounces (USA) or 5.670 /8.100 grams respectively. Hopper capacities may be increased or reduced using different sizes of tokens.

**Dimensions and weights are reasonably close estimates measured prior to packaging for shipment by American Changer. They only consider the base product features – no other options.

Other options can be considered in addition to those listed. All options and/or customized features are an additional price over the base price of the product.

No products and/or services supplied by American Changer are 100% security proof and all of American Changer's products and services are to be used by the owner's best judgment. Capacities are approximations.

Installation, use and maintenance (service) must be done in accordance with the applicable manuals provided by American Changer with the products in this document and comply with any and all pertinent laws or regulations.

Specifications on this document can vary without notice.
